Subject: **Product Performance Feedback of Valve Manifolds, Tube Fittings.**

We wish to express our utmost appreciation for SM IPL products that we have recently supplied to our customer for HVAC control panel consisting of Needle valve, manifold and tube fittings. Since adopting SM IPL Products, we have observed significant improvements in our efficiency, overall performance and timely delivery schedules.

We want to recommend SM IPL Company for delivering a range of high-quality valve manifolds. The 2-way, 3-way, and 5-way manifolds, Tube Fittings, Ball valves, Needle valves, Pressure Gauges, and accessories have exceeded my expectations in terms of both functionality and durability.

Moreover, the support and guidance provided by SM IPL team have been excellent and were always available to assist us with any queries whenever required and ensured a smooth transition. Their professionalism and dedication are truly commendable.

We once thank you for providing good product and for your unwavering support. We look forward to a long term and mutually beneficial relationship with SM IPL

Best regards,

For ATI Q AL DHAHERI & CO. LLC.
